Merry Christmas

I want to take this opportunity to wish everyone a Merry Christmas. Thank you for absolutely everything you do for Southeastern. I truly hope you find peace, love, and happiness during our Christmas break.

Giving

I am always overwhelmed by the amount of heartfelt giving demonstrated by the people of our community during the holiday season. The purest form of giving is that with no strings attached, and that is exactly what you do year after year. This generosity is one of the best gifts you give your children, the gift of a great example.

Holidays

It is important for all of us to understand that for many of our students the holidays are not a happy time. In the next several weeks, you will experience some students acting out. Obviously, hold them accountable for their actions but at the same time, love them a little bit more than usual.
